Impact Montgomery

Department of Economic + Community Development

Let's Get Things Done!

Montgomery Thrives

We value our citizens and every person's right to live, learn and earn in Montgomery.

Inspired Design + Innovation

We believe that good design and innovation in public space uplifts overall quality of life.

Alabama River Treasures

We cherish the natural beauty, health benefits, and recreational destinations along the Alabama River, recognizing its social and economic contributions.

Care for Community

We advance community health equity, support social development programs, and encourage community involvement.

Thriving Small Business

We foster the growth and success of our local, small business economy + ecosystem.

Destination City

We believe that historic preservation, arts and culture enhance a great city. We are dedicated to making Montgomery a premier destination for living working, and recreation.

Sustainable Living

We believe access to quality housing is important and we work hard to create additional and sustainable options.

Citywide Catalyst

We value Downtown, as the shared heart and "living room" of our great city and as a catalyst for development in all of Montgomery.

Strategic Alliances

We prioritize collaboration and leveraging of strategic public + private partnerships to advance the economic vitality of the City.

Data-Driven Success

We leverage and share data to advance revitalization, diversify funding streams and empower success.
