1 inch = 350 feet

CITY OF MONTGOMERY
Riverfront Greenway Trail

Phases of Development to study economic impact

a multi -year plan to build on the success of River-front Park and to enhance walking and biking con-nections across Downtown and with the Alabama River.

Funding provided by the City of Montgomery, the Transportation Al-ternatives Program (TAP), the Recreational Trails Program (RTP), the Federal Land Access Program (FLAP), and the Montgomery Lions Club (Lions).

City of Montgomery
Department of Economic & Community Development
